February
Value/Theme
Versatility
Soft Skill
Flexibility and
Adaptability

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

Literacy

We will be focusing on communication, new vocabulary and SaLT targets. We hope to read a variety of texts that we can relate to and transfer knowledge learnt through these to ourselves and everyday life within the community.

Teacher: Lynn Haygarth

lynn.haygarth@lighthouseschool.co.uk

Maths

We will be developing our skills in using measures. We will practise weighing using scales and know that we use grams and kilograms to weigh objects. We will practise using jugs to measure liquids and know that we measure liquids in millilitres and litres. We will develop our skills in reading scales. We will be looking at recipes and planning a meal to cook.

Teacher: Tracy O'Brien

tracy.obrien@lighthouseschool.co.uk

Science

Will be finishing off the CREST award science experiments they have been working on this involves taking part in 8 different practicals then we will go onto describing simple energy transfers and what energy can be used for

Teacher: Caroline Maston
caroline.maston@lighthouseschool.co.uk

Computing

In Computing, we will be learning about different types of data and how to create simple databases. We will learn how to search and sort our database and will create our own database as part of a project.

Teacher: Michelle Hoole
michelle.hoole@lighthouseschool.co.uk

ILS

In ILS this half term we are looking at the topic of health and personal care. This will involve a focus around toiletries you need to keep yourself clean, how you use them and why. We will also explore routines for keeping clean and taking care of yourself.

Teacher: Wellbeing Team
seniortutors@lighthouseschool.co.uk

Food Technology

In Food Technology this half term students will be following simple baking recipes and will be encouraged to talk about and label the ingredients they are using. We are also working towards the students being more independent with finding the equipment they need and being aware of how much they need to weigh out.

Teacher: Andrew Hargreaves
andy.hargreaves@lighthouseschool.co.uk

Creative Carousel

Students are experiencing a range of creative activities within art, music and performing arts. They will develop their interests in this area as well as learn how to create their own pieces of work.

Teachers: Andy Brown

andrew.brown@lighthouseschool.co.uk

Laurence Jones

laurence.jones@lighthouseschool.co.uk

Andy Hargreaves

andrew.Hargreaves@lighthouseschool.co.uk

Community

In Community this half term students will continue discussing the rules around how to keep yourself safe and visiting different community locations to practise following these rules. We will be visiting a supermarket to buy items to use at school and also items that students need for home. During this time we will be learning the routines attached to using a supermarket and focus on being able to follow a list, use a manned and self-service checkout and how to ask for help appropriately.

Teacher: Angela Merrett

angela.merrett@lighthouseschool.co.uk

PE

Circuits

Setting-up Sport

Changing into PE Kit

The challenge this term is 'Devotion' and 'Versatility' the pupil targets are to learn to get changed in and out of their PE kit, independently, in a changing room environment. Recognise how to change privately. Special emphasis will be placed on setting up sporting activities creating ownership and responsibility for the activity. Circuits allow them to exercise and get fit without the pressure to win or lose.

Teacher: Colin Sherman

colin.sherman@lighthouseschool.co.uk

PHSCE

Students will be working on personal EHCP targets as well as lessons focused on our themes around Devotion and Versatility. We will also be learning about personal safety, including Internet safety, and do activities around Holocaust Memorial Day and LGBTQ Pride Month.

Teacher: Wellbeing Team

seniortutors@lighthouseschool.co.uk

A blue ribbon banner with the word 'Wellbeing' written in white text in the center.

Wellbeing

Wellbeing sessions this term are focussing on the students becoming a 'team' and working together. They will also be looking at self-awareness targets and activities linked to increasing their self awareness. Students will also be participating in taught relaxation.

Teacher: Wellbeing Team
