Inspiring Bright Futures ...

What we are
learning
Spring 1

January
Value/Theme
Devotion
Soft Skill
Work Ethic

February
Value/Theme
Versatility
Soft Skill
Flexibility and
Adaptability

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

Literacy

We will be focusing on communication, new vocabulary and SaLT targets. We hope to read a variety of texts that we can relate to and transfer knowledge learnt through these to ourselves and everyday life within the community.

Teacher: Lynn Haygarth

Lynn.haygarth@lighthouseschool.co.uk

Numeracy

We will be solving problems using money and learning how to use money when in the community. We hope to begin to look at some enterprise projects where we will make things to sell and make a profit.

Teacher: Lynn Haygarth

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

Science

Will be finishing off the CREST award science experiments they have been working on this involves taking part in 8 different practicals then we will go onto describing simple energy transfers and what energy can be used for

Teacher: Caroline Maston
caroline.maston@lighthouseschool.co.uk

Computing

In Computing, we will be learning how to create a simple spreadsheet and practice entering data in the spreadsheet. We will also learn how to change the formatting of the spreadsheet, to make it look more professional.

Teacher: Michelle Hoole
michelle.hoole@lighthouseschool.co.uk

ILS

In ILS this half term students will be tasting and labelling different fruits and vegetables and be encouraged to express if they like or don't like something. They will also be using the Food Tech room to practise keeping an area clean and tidy by wiping and washing up and using also practising how to use and washing machine.

Personal Targets

In personal targets this half term students will continue with their work around their EHCP targets specifically focusing on relaxation skills, personal care, independent living skills and communication.

Teacher: Angela Merrett
angela.merrett@lighthouseschool.co.uk

Creative Carousel

Students are experiencing a range of creative activities within art, music and performing arts. They will develop their interests in this area as well as learn how to create their own pieces of work.

Teachers: Andy Brown

andrew.brown@lighthouseschool.co.uk

Laurence Jones

laurence.jones@lighthouseschool.co.uk

Andy Hargreaves

andrew.Hargreaves@lighthouseschool.co.uk

Community

In Community this half term students will continue discussing the rules around how to keep yourself safe and visiting different community locations to practise following these rules. We will be visiting a supermarket to buy items to use at school and also items that students need for home. During this time we will be learning the routines attached to using a supermarket and focus on being able to follow a list and use a manned and self-service checkout. Students will also visit the café once a week and work on making choices around food and drink, asking for these items and also being able to pay for them.

Teacher: Angela Merrett

Angela.merrett@lighthouseschool.co.uk

PE

Archery

Boxercise

Throw and Catch

Hop-Scotch

These sports are to enhance hand-to-eye coordination the challenge this term is 'Devotion' and 'Versatility' allowing students to have achievable successes in sport. We will be introducing students to different levels of techniques to achieve sporting success.

Teacher: Colin Sherman

colin.sherman@lighthouseschool.co.uk

PHSCE

Students will be working on personal EHCP targets as well as lessons focused on our themes around Devotion and Versatility. We will also be learning about personal safety, including Internet safety, and do activities around Holocaust Memorial Day and LGBTQ Pride Month.

Teacher: Wellbeing Team

seniortutors@lighthouseschool.co.uk

Ambition | Versatility | Compassion | Innovation | Happiness |
Devotion | Optimism | Respect

Wellbeing

Students will be participating in taught relaxation sessions and working on their own personalised stress management targets. This includes a focus on self-regulation and being able to say or communicate how they feel.

Teacher: Wellbeing Team
seniortutors@lighthouseschool.co.uk

SaLT

Students will be continuing to develop their understanding of different aspects of language, including following 2 to 3 key word instructions and answering questions between levels 1 to 3 (Blanks question levels). These skills will then be continued throughout their day in the rest of their teaching or in the community.

Teacher: Tammy Middleton
