

Assistant to Site Maintenance Manager

The Lighthouse School Leeds is the UK's first Special Free School set up in 2012 by a group of passionate parents of children with autism spectrum conditions (ASC). We have high aspirations for all and our aim is to provide our young people with the best support available to enable them to learn, thrive and achieve in life. We have employed specialist teachers and tutors with a high level of expertise in the field of autism to deliver a diverse curriculum within our school and our partner schools.

Following our initial intake in September 2012 of 7 students, we will have grown to a cohort of 67 young people aged between 11 and 19 years old in September 2018. We are situated in newly refurbished premises in Cookridge.

Our journey so far has been amazing and we are immensely proud of what our students have achieved. We are now wanting to make rapid improvement in some key areas in the School to support the vision of the School.

This is an exciting new position within the School to work closely with the Site Manager to help maintain the grounds and the building. The role is to maintain all aspects of health and safety for the School.
