

21st March 2018

Dear Parents

Autism Awareness Week 26th March – 2nd April 2018

To celebrate Autism Awareness Week, students will be doing a range of activities in school across next week. This will culminate with an open afternoon on Thursday 29th March 2018 for parents/carers to see their child enjoying and achieving in school.

During the afternoon there will be an opportunity for parents/carers to join subject classes, visit an exhibition of students' work and participate in some of the enrichment activities that school provides. There will also be a range of refreshment provided, for a donation to schools funds.

The event will run from 1:15 till 3:00pm and parents/carers are able to leave with their son/daughter if they wish to do so after 3pm. Please return the slip below if you are able to attend.

The school will also be exhibiting at the Leeds Bigger and Better show on Tuesday 27th March 9:30 - 3pm. We would encourage parents/carers to attend. The event has two main guest speakers, an "autism tree", short speeches from local autistic people and over 30 stalls from services throughout Leeds. You can find out more information at: <http://www.specialistautismservices.org/bigger-and-better-in-leeds-2018/>

We hope to see you in school on Thursday 29th March to celebrate.

Kind Regards

Emma Sullivan
Principal

Autism Awareness open afternoon 29th March 1.15pm – 3pm
