

11th May 2018

Dear Parent/Carer

We have recently invested in a progress reporting system called **Classroom Monitor**. The system will support the school in recording the progress of each child and enable us to share this information with parents and carers electronically.

You should have received an email with login and password details to assist you to access your child's recent progress report. If you have not received this email please contact the school office to provide an email address for the report to be sent to.

Michelle Hoole will be running a session in school on Thursday 17th May 2018 3:30pm -6:00pm for any parents/carers who would like assistance in accessing this first report or would like more information regarding the system.

The schools hope this helps parents/carers to gain better understanding of their child's learning targets and their progress to date.

Yours faithfully

Emma Sullivan
Principal
