

Dear Parents and Carers,

We hope that you are staying safe and well.

Although the government have placed strict guidelines on our current movements, they have stressed that if anyone is in crisis and suffering with domestic violence they are able to leave their home to seek refuge.

If anyone finds themselves in this situation please be assured that Leeds Domestic Violence Service and other support organisations are still open and taking calls.

There is a full list of local support, refuges and various contact numbers on the attached document.

We will be uploading this document and other support information to the school website in the parent section for easy access.

*If you live in a different authority to Leeds, please check your council website for similar information.*

Thank you for your support.

Stay safe and take care.

Emma Sullivan

Principal
