Employment of Ex-offenders Policy

1. Policy Statement

It is a legal requirement that all educational establishments treat individuals who possess a criminal record fairly and do not discriminate due to a conviction or other related information revealed. Lighthouse School will ensure that all potential job applicants can access this policy on the recruitment section of the school website and receive a copy where short-listed for a vacancy.

We recognise the contribution that people with criminal records can make as employees and volunteers and welcome applications from them. A person's criminal record will not, in itself, debar that person from being appointed to a post. Any information given will be treated in the strictest confidence. Suitable applicants will not be refused posts because of offences which are not relevant to, and do not place them at, or make them a risk in a role for which they are applying.

All cases will be examined on an individual basis and will take the following into consideration:

- Whether the conviction is relevant to the position applied for.
- The seriousness of any offence revealed.
- The individual's age at the time of the offence(s).
- The length of time since the offence(s) occurred.
- Whether the applicant has a pattern of offending behaviour.
- The circumstances surrounding the offence(s), and the explanation(s) provided.
- Whether an individual's circumstances have changed since the offending behaviour.

This policy should be read in conjunction with Keeping Children Safe in Education September 2023.

2. Roles and responsibilities

The Board of Trustees of the school will ensure the school has effective policies and procedures in place for the safe and fair recruitment and selection of staff and volunteers in accordance with Department for Education guidance and legal requirements and will monitor the school's compliance.

The Principal and other Managers involved in recruitment will ensure that the school operates safe and fair recruitment and selection procedures which are regularly reviewed and updated to reflect any changes to legislation and statutory guidance.

3. Purpose of the Policy

To ensure the recruitment of all staff is conducted in a fair manner, and in order to achieve this purpose, those who are responsible for each stage of the recruitment process will

demonstrate a professional approach by dealing honestly, efficiently and fairly with all applicants.

4. Aims and Objectives

To ensure a consistent and equitable approach to the appointment of all school staff in order to safeguard the welfare of children and young people, and that all relevant equal opportunities legislation is adhered to, appointees are not discriminated against.

- 4.2 The school actively promotes equality of opportunity for all with the right mix of talent, skills and potential, and welcomes applications from a wide range of candidates. Candidates are selected for interview based on their skills, knowledge and experience.
- 4.3 All paid employees of Lighthouse School are in regulated activity and are therefore required to possess a suitable a DBS certificate.
- 4.4 Volunteers are risk assessed thoroughly in order to determine whether a DBS application is appropriate for the position concerned.
- 4.5 Application forms, job advertisements and recruitment documents contain a statement to inform prospective applicants that a DBS check will be requested in the event of an individual being offered a role at the school.
- 4.6 Lighthouse School encourages all applicants invited for interview to provide details of any criminal record history that is not protected as defined by the Rehabilitation of Offenders Act 1974 (Exceptions) order 1975 (as amended in 2013 and 2020) at an early stage in the application process. - 4.8 An open and measured discussion will take place regarding any offences or other related matters relevant to the role.
