

In these challenging times, we want to

CELEBRATE THE NHS and our KEYWORKERS

as a school community

Here are some options for how you can Celebrate the NHS and Keyworkers – with your families - over the Easter holidays. As with the Daily Home Learning Menus, these are not compulsory, but give you some ideas and structure. Please use as you see fit – there is no pressure at all.

- **Write an open letter/postcard for NHS staff and other key workers.** These will be shared on our school website/newsletter. This is a good opportunity for you to use your poetry-writing skills.
- **Create a poster or postcard for a key service.** This could be a care home, pharmacy, supermarket, etc... Send it to Lighthouse School and we will forward it on. There are a lot of care homes that have been shut to the outside world. Contact from a young person would help reduce loneliness.
- **Paint/draw a rainbow and place it in your window.** This is a recognised symbol of support for the NHS and keyworkers. Take a photo and send it to us.
- **Create a rainbow out of random items.** Got a range of different colour clothes? Why not turn them into a rainbow, and send us a picture of it to share on our website.
- **Create a piece of art inspired by NHS staff and key workers.** Whether it's a song, painting, or play. Create something to show your appreciation for the NHS staff and key workers.

Please be creative, have fun, and most importantly, stay safe.
