Scope Activities

This Parent Hub is focused on the services provided by **Scope Activities for All**.

Scope work with Leeds City Council to find and develop inclusive activities for disabled children in Leeds. They work closely with activity organisers and professionals to enable children can join in with activities and develop their confidence and independence.

They will also provide information and examples of inclusive short breaks. Support and advice will be also provided on specialist services such as Direct payments.

This session will be led by members of the Scope Team alongside Lighthouse School Staff.
