**Subject:** Phased opening of School Parent information

Dear Parents/Carers,

Following Boris Johnson's statement on Sunday, you may have questions about how this impacts Lighthouse School's provision and your child's education after the 1<sup>st</sup> June 2020. New guidance was issued yesterday evening, however the information currently available is not detailed enough for us to answer any specific questions. Please be assured that we are studying the new government guidance issued and that we are in communication with Leeds local authority. We have included the link below to the information issued directly for parents and carers from the government.

<https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

Until further notice, we will be continuing to operate as we have been over the last few weeks - largely through a virtual school provision, with a small number of students on-site.

We will be in contact in the coming days and weeks as more information becomes available to us and as we formulate operational plans for a potential phased opening of the school site .

Thank you for your continued support during this difficult time for us all.

Take Care and Stay Safe.

**Emma Sullivan**  
Principal
