

18th December 2020

Dear Parent/Carers,

You will probably have seen in the news that the government are introducing testing for all secondary school staff and students, and there will be a staggered return to secondary schools in January.

As Lighthouse School is a secondary specialist setting, we are not included in the staggered start, and School will be open and welcoming all students from the 5th January 2021.

At present we have little information about the testing process and how this will be administered in School. As soon as we receive more information, we will be in touch to advise.

Wishing you all a happy and safe Christmas.

Yours sincerely,

Emma Sullivan
Principal
